## Join the largest philanthropic effort in NAFEM history

In just four years, since 2020, NAFEM members have donated 34.14 million meals to neighbors facing hunger through our signature social purpose program

## How does it work?

NAFEM matches every donation<sup>1</sup> your company makes to your local Feeding America<sup>®</sup> member food bank and all donations remain in your community:

- Financial contributions are matched dollar-for-dollar so \$1 becomes \$2 – or 20 meals
- 1 hour of volunteer time = \$25
- Food donations = \$250
- Plus, your company receives two Priority Points annually

<sup>1</sup> All donations will be recognized in the company name, even if they are given by individuals.

## It's as easy as 1, 2, 3:

1. Contact your local Feeding America<sup>®</sup> food bank
2. Discuss how best to get involved
3. Submit your receipts to NAFEM through the Member Dashboard for matching dollars

If you are already fighting hunger locally, be sure to let the organization know about NAFEM's match as they are likely part of the Feeding America<sup>®</sup> network of more than 60,000 partner agencies, food pantries and meal programs. Also, ask about special "match days" or events where your donation is doubled by other donors.
